FRANKIA MOTORHOMES 2020 ON A FIAT DUCATO PLATFORM

AN EXPERIENCE
LIKE NO OTHER

FRANKIA

COACHBUILT | A-CLASS

Dear motorhome enthusiasts,

For over 30 years we have enjoyed a strong partnership with Fiat. The reason is simple: The Ducato in combination with the AL-KO low-frame gives us the freedom to develop new ideas, floor plans and models year after year. You have a choice between A-Class or Coachbuilt versions, 20 floor plans in six lengths and eight PLUS models with the FRANKIA round seating group. And every FRANKIA F-Line model comes with a 35 cm double floor – with load-through storage in nearly all floor plans – for an unbelievable amount of storage space.

There is a lot to look forward to in this new model year of the FRANKIA F-Line: Like an even more enjoyable driving experience thanks to the powerful new generation of Fiat engines. The FRANKIA F-Line I 890 GD also has more power under the hood. This premium liner features a new layout with luxurious bar-style seating (F-Line I 890 GD-B).

But that's not all: We have broken new ground to take the living and sleeping experience in your FRANKIA motorhome to the next level of comfort. We have also found clever solutions with innovative everyday helpers such as our FRANKIA Easy Bike System.

The FRANKIA F-Line is the future of travel. Our catalogue shows you our particular attention to detail and presents many new FRANKIA innovations.

We hope you enjoy discovering what we have to offer.

FRANKIA I 840 PLUS

LOOKING FOR UNIQUE VARIETY? MEET THE FRANKIA F-LINE

Our commitment to quality is exceptionally high for every premium motorhome in the FRANKIA F-Line that bears the FRANKIA emblem. Each model is built according to your specifications in our factory in Upper Franconia. What makes our motorhomes so unique? It's the precise craftsmanship with great attention to detail and the extremely high quality workmanship using premium materials – like in our FRANKIA F-Line I 840 PLUS.

We've listened to the wishes and needs of our customers and loaded the FRANKIA F-Line 2020 with power and innovative solutions: It boasts a powerful new Fiat engine, unique floor plans and even a gigantic version – the FRANKIA F-Line I 890 GD / GD-B.

A GREAT FOUNDATION: THE BEST DUCATO EVER

What makes Fiat and FRANKIA such a great team? We work together as partners to develop and build with the intention of being the best. The new Fiat Ducato is the perfect basis for us to create exceptional vehicles that satisfy the unique wishes and needs of our customers. Freedom, flexibility, driving pleasure and expertise are just a few attributes that make the FRANKIA F-Line so special.

The latest generation of Fiat engines uses the more powerful and eco-friendlier drive technology according to the 6d-TEMP standard. Exceptional driving pleasure thanks to state-of-the-art assistance and infotainment systems

Reliability, durability and maximum driving comfort thanks to a modern 9-speed automatic gearbox that optimally utilises engine torque

DEVELOPMENT PARTNERS FOR OVER 30 YEARS

NEW: FRANKIA chassis packages!
With up to 180 hp engine, cruise control,
automatic climate control, 9-speed automatic
gearbox and much more

Now with noticeably more driving comfort: AL-KO low-frame with optimised roll stability, car-like suspension, improved handling and corrosion protection

Space to the max: Unique double floor heated throughout with 35 cm of stepless height and load-through storage in many models
