Dear motorhome enthusiasts,

You know it best: With the right basis, every moment of your trip becomes an unforgettable experience. That's why all FRANKIA M-Line motorhomes come on the high-quality Mercedes-Benz Sprinter chassis. What does this mean for you? Exceptional comfort, lots of FRANKIA innovations and new, one-of-a-kind models. And this model year is no different. We have focused specifically on meeting the wishes and needs of our customers in our products.

More than ever before, the formula for 2020 is:
Mercedes-Benz + FRANKIA = Success.

Whether the FRANKIA M-Line or the FRANKIA PLATIN all-in-one luxury liner – you won't find this variety of floor plans on a Mercedes-Benz basis anywhere else. But we don't stop there. The FRANKIA M-Line is the future of travel. The new FRANKIA M-Line NEO is a lightweight among the "Stars". We developed this innovative Low-Profile to be under 3.5 t – with high-quality lightweight materials, never-before-seen solutions and an exceptionally spacious interior.

What else is new? An even more enjoyable driving experience thanks to Frequency Selective Damping (FSD) technology. Even more assistance systems, especially in the very popular FRANKIA M-Line T 7400. Unique vehicles on a Mercedes-Benz platform with the exclusive FRANKIA round seating group – now in the FRANKIA PLATIN.

The FRANKIA M-Line is the future of travel. Our catalogue shows you our particular attention to detail and presents many new FRANKIA innovations.

We hope you enjoy discovering what we have to offer.

Your FRANKIA Team

PS: Venture down new roads with us! Experience how we perfectly combine the comfort of a motorhome with the flexibility of a camper van in the unique Yucon by FRANKIA microliner.

EXPERIENCE THE FUTURE: WITH THE FRANKIA M-LINE

Our commitment to quality is exceptionally high for every premium motorhome in the FRANKIA M-Line that carries the FRANKIA emblem. Each model is built according to your specifications in our factory in Upper Franconia. What makes our motorhomes so unique? It's the precise craftsmanship with great attention to detail and the extremely high quality workmanship using premium materials – like in our FRANKIA M-Line I 7900 GD.

We've listened to the wishes and needs of our customers and loaded the FRANKIA M-Line 2020 with new ideas and solutions as well as an innovative 3.5 t lightweight on a Mercedes-Benz platform – the FRANKIA NEO.

IT DRIVES YOU: REACH FOR THE STARS

For over 45 years we have been building FRANKIA motorhomes on a Mercedes-Benz platform – and our aim remains the same: To always get better at what we do, always stay in touch with the latest trends and always meet the needs of our customers. So for 2020, the (Mercedes) Star shines bright like never before – with the new FRANKIA NEO 3.5 t, new floor plans with a round seating group in the FRANKIA PLATIN or with the innovative vehicle concept of the Yucon by FRANKIA microliner.

UNIQUE: From lightweight to luxury liner – FRANKIA on a Mercedes-Benz platform with 18 floor plans

POWERFUL: Rear-wheel drive, up to 190 hp, 7-speed automatic, FSD technology (optional)

The Yucon by FRANKIA microliner, the unbelievably spacious T 7400 GD/QD, the FRANKIA PLATIN luxury liner and the FRANKIA M-Line NEO (left to right)

EXCLUSIVE: Extra-large FRANKIA round seating group on a Mercedes-Benz platform – now in the PLATIN luxury liner

NEW: FRANKIA M-Line NEO 3.5 t Low-Profile combines lightness and excellent living comfort

A NEW DIMENSION OF LIGHTNESS: MEET THE FRANKIA NEO

Experience the unique lightness of the “Star” – in the FRANKIA M-Line NEO. This totally new vehicle concept in collaboration with Mercedes-Benz based on an AL-KO low-frame made specifically for FRANKIA lets you experience a unique combination of lightness and luxury – with a total weight of only 3.5 t. How did we do it? With new, revolutionary double floor technology, never-before-seen lightweight materials and an edgy, modern design. Experience it for yourself ...

3.5t

A NEW STAR IS BORN: THE FRANKIA M-LINE NEO

THE NEW VEHICLE CONCEPT COMBINES LIGHTNESS AND POWER

Lightweight frame based on Mercedes-Benz developed specifically for FRANKIA with front wheel drive; innovative lightweight design with a total weight of 3.5 or 4.5 t and a length of just 7 m

NEO'S STYLE IS INCOMPARABLE AND SHOWS CHARACTER

Bold design inside and outside, light-flooded interior, handle-free surfaces, lots of freedom for individual design, more spacious thanks to perfect integration of the cab

EXPERIENCE INNOVATION – SPACIOUSNESS AND QUALITY

Uniquely spacious: 2 m of headroom throughout with a total height of only 2.9 m; unique lightweight materials in the interior showcase FRANKIA's high quality standard

NEW AND IMPROVED: FRANKIA DOUBLE FLOOR TECHNOLOGY

New double floor technology with 20 to 40 cm height thanks to special AL-KO frame designed specifically for FRANKIA, full length and heated for ideal storage space – even in winter

REVOLUTIONARY! EASY-LOAD CONCEPT BY FRANKIA

Packing was never easier: Innovative Easy-Load concept by FRANKIA – with extra-large rear flap, lowered rear storage compartment and front load-through storage in the double floor!

A GREAT EXPERIENCE – NO MATTER WHAT THE SEASON

New ThermoProtect wall structure made of high-quality aluminium alloy and durable GFRP roof ensure winter capability and lightness without any sacrifices to the FRANKIA standard

INTELLIGENT DESIGN DOWN TO THE LAST DETAIL

New FRANKIA Light Wing lighting, MBUX infotainment system (optional) and numerous driving assistance systems such as Crosswind Assist and Keyless Start, pull-out cable reel, SKA seats standard and much more

+ The interior feels like an apartment thanks to 2 m of headroom all the way to the cab

+ Room for everything: Maxi wardrobe under the beds and many compartments

+ Smart layout concept: Top quality meets innovative lightweight materials

NEW: FRANKIA LIGHT WINGS
ILLUMINATED LED PANEL

Modern and light flooded:
New interior design

SIT BACK AND RELAX THE NEO WAY

Put your feet up, take some time for yourself or simply do whatever you want to.
Your FRANKIA NEO gives you plenty of space and time. This is a holiday the NEO way.

+ Sensor-controlled light illuminates the entire kitchen

+ Lots of storage space and many practical workspaces

+ 2-burner hob and large sink

+ Practical and smart: Handle-free drawers with push-to-open function

THE NEO IS HOME TO GOOD TASTE

Mediterranean salad, pasta à la Siciliana, refreshing gazpacho ... you can prepare any meal you like here. Your intelligently designed NEO kitchen has plenty of space to cook your favourite dish.

Plenty of headroom – even sitting up in bed

LED panels illuminate the entire sleeping area

7-zone cold foam mattress for superior sleeping comfort

Use the optional middle section to enlarge the bed

Spacer fabric for perfect support and ventilation

Large wardrobe under the GD bed

WAKE ME UP ... AT THE PERFECT NEO MOMENT

The large bed in the FRANKIA NEO is much too nice for sleeping only – watching the sunrise in the morning or staying in bed with a good book is very enjoyable, too. It's also a great place to dream.

Extra-large mirror with built-in vanity unit

Ideal for all bathroom accessories: Large drawer under the sink

NEO FRESH

Plenty of room, lots of space – and even more refreshing. Hard to believe? The FRANKIA NEO makes it possible thanks to intelligent multifunctional solutions and a new layout concept in the NEO bathroom.

Elegant surfaces and innovative lightweight materials

Simply push to open the vanity

Spa-like shower with extra large tray

Toilet seat disappears under the vanity thanks to push-to-open/close design

NEO FREEDOM IS CALLING

Enjoy the privilege of being able to take everything you need for your journey along with you. But that's not all: The FRANKIA Easy-Load system makes it especially easy for you. And all this with plenty of additional storage space.

Simply clever: Packing with the FRANKIA Easy-Load system

- ⊕ Completely redesigned vehicle rear
- ⊕ Large rear storage compartment with a height of 1.20 metres
- ⊕ Extra-large one-piece 1.5 x 1.15 metre rear flap
- ⊕ Lowered rear section with very low sill
- ⊕ FRANKIA front load-through storage in the double floor – accessible from the interior
- ⊕ Practical new folding solution: Storage space in the seating group

Plenty of space in the FRANKIA double floor

Get to the things you need from the interior

Clever: Wardrobe under the bed

Perfect for winter:
Durable GFRP roof

SAFE AND SOUND IN YOUR NEO

Wind gusts, tropical heat, hail and storm ... it's all outside the walls of the FRANKIA NEO. The newly developed FRANKIA ThermoProtect exterior offers you the same great FRANKIA quality and safety with optimum weight reduction.

Style: Selenite

SHOW CHARACTER – NEO STYLE

Anyone can do the ordinary. The FRANKIA NEO has a unique appearance: Its automotive-inspired dynamics and striking contours give it character. After all, turning heads as you go by is also part of the experience of driving the FRANKIA NEO.

Style: Tenorite

VERY NEO STYLE! LIGHT, CLEAR, FREE

Some call it Scandinavian style, others minimalism. We simply call it “your NEO style”. After all, NEO gives you plenty of freedom to create your own accents and give your living space a very personal touch. That’s why the FRANKIA NEO has no strict style requirements – our interior design options are merely suggestions.
